"GREG'S SECOND ADVENTURE IN TIME"

ENGAGING STORY HELPS CHILDREN DISCOVER AFFINITY FOR HISTORY!

***Greg* is BACK!** Back in Time in C. M. Huddleston's *Greg's Second Adventure in Time* available on 7 October 2015. In this second adventure, Greg time travels to our nation's colonial period where he explores our country's western frontier, encounters more Indians, meets famous Americans, and helps win the American Revolution!

The *Adventure in Time* series for middle-grade readers strives to interest children in our nation's history by providing them with a fun, intimate learning experience through the eyes of a another child. Children's Literary Classics awarded *Greg's First Adventure in Time* its seal of approval in 2015 stating:

Young history buffs will revel in this book which offers fun and interesting historical elements wrapped up in an engaging story; and reluctant readers may discover an affinity for the subject of history. *Greg's First Adventure in Time* sets the stage for many more books, all of which are likely to spur an interest in the imaginative minds of young readers while fueling an interest in learning about history.

Children's Literary Classics, an organization dedicated to furthering excellence in children's literature, takes great pride in its role to help promote classic children's literature which appeals to youth, while educating and encouraging positive values in the impressionable young minds of future generations. To learn more about Children's Literary Classics, you may visit their website at www.clcawards.org or www.childrensliteraryclassics.com
